The King's Coronation

As part of our King's Coronation celebrations, we would like every child in school to make a pom pom. This is something that has been suggested by the Nunthorpe knitting group to all the schools within James Cook Learning Trust. The coronation is some time away yet, however, we would like to make a start soon. We wondered if families had any red, white or blue wool they could kindly donate to school for this cause. Also, we will need a decent supply of cardboard to make the pom poms, therefore we would really appreciate any empty cereal boxes. It will be fantastic for every child to be able to make a coronation pom pom to help celebrate the event and also to decorate school.

Please make a note, the Kings Coronation has meant that an extra bank holiday has been added to the calendar this year. School will be closed on **Monday 8th May 2023**.

Friends of Lingfield

The Friends of Lingfield are organising an exciting event for World Book Day! In preparation for this, please could we ask for donations of pre-loved good quality books suitable for our pupils (fiction and non-fiction). We will be hosting a book sale with a twist called 'Surprise Stories'. More information to follow soon. Thank you in advance for your generosity. Please can books be handed in to Mrs Martin in the school office.

Reminder

The Friends of Lingfield have organised a Valentines themed competition. It is £1 to enter and we are asking children to describe what they love about being at Lingfield Primary School in the form of a poem, story or drawing. The children will receive a small sweet treat for entering and the winner in each year group will receive a prize. Entries and entry fees are to be handed to the class teacher and we ask that all entries are handed in no later than Thursday 9th February so that winners can be informed on Valentines day.

Automatic Doors

The doors at the main entrance of school have finally been fixed!!! Thank you everyone for your patience. You no longer need to complete a three week weight training programme to open the doors now, they simply just open. Please note, externally, push pads are located on either side of the door.

Dogs on the School Site

Please can I offer a gentle reminder that dogs are not allowed onto the school site. We have started to see a number of dogs on the site first thing in the morning or last thing at the end of the school day. Thank you in advance for your co-operation with this matter.
