Y2 Visit to Bolton Castle

This week our intrepid Y2 class enjoyed a brilliant visit to Bolton Castle. They spent time learning about the different parts of the castle and also the different people who lived in and around it. Children enjoyed getting dressed up in medieval attire and also looking at some of the weapons used by Knights!! What was really pleasing was that the Castle phoned school up the following day to say how well behaved all of the children were and that they were a credit to Lingfield. Well done Year 2!!

Friends of Lingfield

There are still tickets available for both sessions of 'Bunny Bingo' next week. Please see The School Gateway for further details.

Provisional dates for future events

- Rec & KS1 Movie Night 15th May 2023
- KS2 Movie Night 22nd May 2023

STEM Week

We have moved our STEM week from this week to the week beginning Monday 24th April. We have had a really good response from local industry and we are really excited to welcome visitors into school. If any parents work within the science, technology, engineering or maths fields and you could spare a little time to talk to a class or some classes, we would love to hear from you. Our children love to hear about what 'grown ups' get up to at work. They particularly enjoy seeing uniforms and some of the apparatus you use, or even photos of where you work.

Parent Evenings

Next week we will be sending out details of our Parent Evenings which will take place shortly after the Easter holidays. The Trust decided that with this half term being so short, these meetings would take place after Easter. We will use our usual booking system for parents to make appointments.

Up Coming Dates

All of the dates below are available via the calendar on the school website. There is the option to subscribe to this calendar so it can appear on your phone if you so wish. Further details about specific events will be released nearer the time.
